For over 25 years, Judi has created a delightful environment where children explore creativity through interactive storytelling and improvisational games. Behind the excitement and fun of acting out the adventures of classic stories are the educational benefits of this program. The students gain self-confidence and learn to cooperate with others while stimulating their imaginations and enjoying physical exercise. Children must be able to leave their parent with ease. Imagine Me, Too!, for ages 6-8, will have more emphasis on characterization and acting technique.

TEACHER SEAN'S KIDS SING

Children will explore musical concepts through circle singing games, dancing, chants, improvisation, and instrument play. It's a Kodaly-based program that instills a love of music while teaching basic music literacy. The program is an age-specific, sequential approach for learning the language of music. Singing a rich repertoire of folk music is used to develop the musical ear. We build skills in sight-singing and ear-training through solfège (do re mi) and rhythm syllables. Lastly, we reinforce with a CD and songbook so children may practice at home. Note: The lab fee covers the cost of class materials (1 CD and songbook).

LEVELS OF INSTRUCTION

Parent-Tot – Basic movement class based around fundamental gymnastics for young children that are not quite ready to go it alone. Parents must assist their child with class participation and should be dressed appropriately for activity. No siblings are allowed in the facility during class, unless supervised by another adult.

Tiny Tots – An introduction to all the gymnastics apparatus will be utilized, with an emphasis on creative movement and organized circuit play. Instructors will lead a warm up, followed by rotations around event & skill circuits, where students may learn a wide array of fundamental movements and positions.

Tumble Tots – This class is similar to Tiny Tots, with increased challenges based on the students' physical,

emotional, and social development. Class activities enhance strength, balance, and students may be reviewed for possible invitations to our team development program.

Pre-Rec – This class is an introduction to fundamental core gymnastics skills and the Olympic events. Instructors introduce specific skills and basic recreational skills to prepare them for our recreational classes. This is a focused class that may provide the opportunity for team development.

Boy's & Girl's Rec FUNDamentals – Class focus around a skill card and learning to perform basic routines on the 4 women's and 6 men's events. In addition, trampoline skills, strength development, and flexibility are integral parts for students at this level.

Boy's & Girl's Intermediate I & II – Students are required to pass the skills and routine evaluations of the previous level, and must receive approval from staff member before moving into this class.

Boy's, Girl's, & Coed Advanced Rec – Students enjoy learning increasingly challenging skills equivalent to our compulsory competitive levels. This class is designed for students who do not wish to do competitive gymnastics, but want to develop more advanced skills.

Tumbling & Trampoline – Students learn skills progressively from basics up through flipping skills. Safe trampoline use is emphasized.

Team Development Classes, SUPERKids, Hot Shots, or Pre-Team – SUPERKids is an invite only class for girls, ages 5-7, who our staff feel should begin training for eventual competitive team. Hot Shots is a step up from SUPERKids and is an invite only class for girls, ages 6-8. Pre-Team is an invite only class for girls, ages 6-16, who our staff feel should be on our competitive team. Call (408) 615-3199 for more information about team development and CSC competitive teams.
